BURAK AYCAN
FRONT-END PROGRAMMER

ÖN YAZI

I was born in Adana Seyhan in 2000. I lived in Adana until I was 12, and then I moved to Istanbul. At the age of 14, I chose the field that was my dream in high school and went to Weeb Academy to get a certificate in order to progress towards this goal. I graduated from the Computer Programming Department at Kırklareli University. I have been working on projects for 4 years as a freelancer and actively working
